Dr. Prashanth K

**Student Coordinators:**

Likitha

Chethana

Aditya

Khyathi

Sahas

Deepika

**Targeted Audience:** 1st year B.E Students- Chemistry cycle

**Description of the Event:**

The Orientation programme highlighted the key aspects about the world of Innovation, Incubation and Entrepreneurship. It was led by Dr. Piyush Kumar Soni, the coordinator of NISP, NHCIIE and Dr. Agalya V, President IIC, NHCE. They explained how design thinking can create numerous start-up businesses. They also outlined the support system offered to the students by the NHCE Institution's Innovation Council (NHCE-IIC). It was an informative session for the budding students of first year B.E, motivating them for out of the box thinking.
