

NEW HORIZON COLLEGE OF ENGINEERING

DEPARTMENT OF APPLIED SCIENCES

Title	Talk on “ Indian Knowledge System ”	
Department	Department of Applied Sciences	
Date	From: 04-04-2024	
Time	From: 11:00 AM	To: 12.00 PM
Report	<p>The Department of Applied Sciences had organized a talk by Dr. Priyameet Kaur Keer, Associate Professor – Department of Management Studies, NHCE, Bangalore, on April 4, 2024, at Falconry Seminar Hall. Students of the second semester B.E. Chemistry cycle attended the lecture. In her talk, she explained about the ancient Indian sciences and arts, how to preserve Indian heritage, how to apply ancient knowledge to modern problems such as climate change, and also how to help and lead a healthy, sustainable, holistic quality of life and decolonize Indian education in a way that reduces undue western influences.</p> <p>The invited talk was interesting, and the discussion session that followed the talk was productive. The students gained valuable insights into the traditional knowledge of India. First year BE students along with the faculty members, attended the talk.</p>
