

Guest Talk 2025

Date: 05 December 2025

Venue: Tejas Seminar Hall

Brief Description of the Event

On 5th December, 2025, the Department of Applied Sciences conducted an educative guest talk by the distinguished speaker Mr. Chethan Adhikary, Tata Consultancy Services, Bangalore on the topic “Know how to break Python Jargon” for first semester AI branch students.

The event simplified the complex terminologies of Python and made the coding approachable to AI students. The presentation was interesting and informative with an interactive session.

The talk motivated the students and gave them a better grasp of the Python language. The talk sparked young people's interest and inspired them to investigate creative ways that Python might be used to improve productivity and problem-solving in engineering and other fields.

Activities Conducted: Guest Talk

Number of Participants: 150
