

NEW HORIZON COLLEGE OF ENGINEERING

Industrial Visit 2025

Organised by: Department of Applied Sciences

Date of Visit: 31st December 2025

Venue: Mahatma Gandhi Institute of Rural Energy and Development (MGIRED),
Jakkur, Bengaluru

Brief Description of the Event

On 31st December 2025, the Department of Applied Sciences organised an industrial visit for the students of the Mahatma Gandhi Institute of Rural Energy and Development (MGIRED), located in Jakkur, Bengaluru. This visit aimed to introduce students to practical applications of renewable energy technologies, energy conservation practices, and sustainable water management.

MGIRED is a training and research institute established to create awareness and propagate advancements in rural energy, renewable energy, energy efficiency, water conservation, rainwater harvesting, environmental protection, and sustainable rural development to diverse target groups including students, rural youth, and community stakeholders.

The visit enhanced the students' understanding of sustainable energy systems, energy conservation, and water management strategies. The knowledge gained will be beneficial for future academic pursuits and professional interests of the students in the fields of environmental sustainability and renewable energy.

Activities Conducted: Interactive Sessions about Solar Energy, Energy Conservation, Rainwater Harvesting, and Water Conservation.

Number of participants: 64
